

Spring 2018 Final Exam Room Reservation Schedule

Final exam room reservations are scheduled according to your default scheduled class time. Faculty has reviewed and approved the schedule. If you don't see your course the instructor opted not to have a final exam room reservation, or has chosen another time and/or method to administer the final exam. Please double check final exam status with instructor. Finals that are in red with an asterisk have an extended session beyond a normal class period.
